

A SILLY DAY

One sunny morning, Isabella woke up and said:
“Today feels funny. Did I bump my head?”
She looked around with sleepy eyes...
and saw something wild!

The cat had glasses, shoes, and a hat.
"That's not normal!" she laughed at that.
"I see something silly with my eyes—
this day is full of funny surprises!"

She went to the kitchen and opened the door.
But the fridge said, "Hello!" – then it sang some more!
"Did my fridge just sing to me?, What a melody!"

She walked to the sofa to rest for a bit,
but the cushion felt bumpy — not a good fit!
“It’s hard, not soft. Did someone hide rocks?”

In the bathroom,
she sniffed the air and took a deep breath,
expecting clean soap or flowers, at best..
But—sniff sniff!—her shampoo smelled like cheese!
“Yuck! What is this? A pizza breeze?!”

"I need a snack," she said
She takes a chocolate and give it a bite.
But—chompl—"This tastes like toothbrush!
What a surprise!

At the end of her silly, twisty day,
Isabella went outside to play.

She smiled and run, her senses had fun,
and now..

THE END
