

ISABELLA

IS ON A

MISSION!

Isabella wakes up full of cheer,
but something's missing!— what's not
here?
She looks around with big, wide eyes:
—"Where's Mom's pink bag?" she cries.

She checks the floor and looks on the chair,
but Mom's pink bag is not there.

-"Is it next to the lamp or behind the closet?"

It's not in my room—I must explore!"

She runs to her parents' room so fast,
hoping to find the bag at last.
On the table she sees Dad's keys,
but his laptop is gone—what a miss!

"Where is Dad's laptop?" she says out loud.

"It's not on the bed or under the rug"
She checks near the closet
just finds a sock and a giant bug!

In the bathroom, she looks once more.
Maybe Grandma's shoes are near the floor?

She peeks behind the laundry bin,
but finds only shampoo and a safety pin.

She hurries off to the kitchen floor,
where Grandma's shoes were seen
before.

She checks near the fridge and in the
the sink— “Oh no! Just carrots and so-
mething pink!”

In the dining room, she looks around.
Grandpa's glasses might be found!
She checks on the table and under the
chair – “Not here!” she says, “They’re
not anywhere!”

In the living room, she sees her cat sitting in front of something... "What is that?"
It's Mom's pink bag!

She finds Dad's laptop under the table
and Grandma's shoes between the
plants.

-»Grandpa's glasses? On the shelf!
Everything is here! Hooray! Hooray!

"Thank you, friends, for all you've done.
Without your help, it wouldn't have
been fun!
You showed me where to look and see..
I found it all, thanks to you and me!"

THE END
